

## MONTY 3550 GP PLUS TYRE CHANGER

### FEATURES

- Top-side bead seating kit
- Certified by wdk for gentle and user-friendly mounting and demounting of UHP and run-flat tyres in line with OEM specifications
- With pneumatic mounting tool easymont® pro and plus kit (standard equipment) for handling of UHP and run-flat tyre systems (additional optional adaptors required for PAX and CSR tyres)
- With optional jaws for wheels of up to 30" diameter
- Mounting head vertically and laterally adjustable in spaced-apart position relative to the rim (pneumatically controlled)
- Inverter technology for two turntable speeds (7 and 14 rpm) optimises torque and speed depending on the requirements of mounting and demounting operations
- Bead breaker blade supported in 3 joints
- Bead breaker adjustable in 2 ranges
- Pneumatic tool lock and pneumatic tool approach
- Quick-inflating valve
- Pedal-operated inflator
