

PLH-245DH 4.5 TON 2 POST HOIST

The PLH-245DH is a robust clear floor car hoist engineered to deliver consistent, high-performance lifting in demanding workshop environments. With a 4.5-ton lifting capacity and a 1.96m lifting height, it's perfectly suited for a wide range of vehicles—from sedans to light commercial units.

FEATURES

- **Handy single-side unlock design** for convenient and safe operation
- **Standard height limit switch** prevents over-lifting for added equipment and vehicle protection
- **Integrated tool trays** for **foot protection** and convenient **storage** of tools and small parts
- Integrated **2x 3-stage** arms and **2x 2-stage** arms
- **Two-cylinder direct drive system** for lower maintenance and smoother operation.
- **Quick-change slider blocks** allow for easy maintenance and reduced downtime
- 5mm thick steel column construction ensures long-lasting structural strength
- 16mm thick column base foot plates provide excellent foundation stability
- High-strength, extra-long carriage made from 14mm bent steel plate for enhanced durability

CONCRETE

150mm thick, reinforced, free from cracks/seams, 30mpa & cured 28+ days

SPECIFICATIONS

Model No.	PLH-245DH
Lifting Capacity (kg)	4,500kg
RAM Type	Hydraulic
Min. Lifting Height	245mm
Max. Lifting Height	1800mm
Lifting Time	40s
Motor Power & Voltage	2.2kw 3 phase or 1 phase
