

CL4P9 4 TON 4 POST HOIST

Challenger's CL4P9 4,082kg capacity 4-post lift was designed with versatility in mind. The CL4P9S, CL4P9X & CL4P9W 4-post home car lifts are perfect for light duty commercial service or storage applications.

FEATURES

- Heavy-duty commercial grade design with rigid formed columns and runways for superior strength and dependability, yet light enough to move around the garage (with optional caster set)
- 240v single phase voltage
- Versatile design allows it to be either Free-Standing or Bolt-to-Floor
- Built-in runway rail system accommodates optional rolling jacks, jack trays, drip trays, and storage platforms
- Single hydraulic cylinder protected under neath runway

CONCRETE

150mm thick, reinforced, free from cracks/seams, 30mpa & cured 28+ days
