THINKTOOL 191

8-INCH DIAGNOSTIC SCAN TOOL

Advanced diagnostics made simple now in a lighter, thinner 8" package with a refreshed UI. The 191 delivers OE-level full-system scans, advanced coding, and true bi-directional control, plus 35+ service functions to speed through everyday resets. It speaks 28 languages, supports modern CAN-FD & DoIP protocols, and grows with your workshop via Thinkcar add-ons listed below. One-key FCA unlock keeps secure gateways hassle-free so you can diagnose, code, and confirm fixes with confidence

35 MAINTENANCE FUNCTIONS
