THINKTOOL Expert 399

14-INCH AI DIAGNOSTIC SCAN TOOL

Move faster from symptom to fix with the Expert 399 on THINKCAR's TCOS platform. Its modern industrial design, RTC dual-vehicle diagnostics, and VCI dual-screen viewing keep workflows clear and efficient, while AI-powered fault finding helps pinpoint issues sooner. A 14-inch 2.5K ultra-clear IPS display elevates readability for OE-level tasks including full-system diagnostics, special functions, bi-directional control, actuator tests, advanced coding, and online programming.
